Hello there.....

We're excited to share our farm with your family this fall!! It's such a great time of the year to be on the farm! In case we've not met... We're primarily a Horse Farm, we've been teaching kids and adults how to ride horses at Sweetwater Farms for the last 35 years. Our farm is a piece of country in the middle of the city with a Petting Barnyard full of adorable farm animals for you to enjoy.

Your admission price gets you..... inside our BARN and PETTING BARNYARD a TOUR of PONY TOWN as well as a Tractor Drawn Hayride, Hay Maize, Pumpkin Patch and a animal treat bag.

At the BARN you'll also find **Pony Rides and Painting Horse Shoes.** (additional charges apply).

Bring your camera... 'cause the photo ops are everywhere and all day long at Sweetwater Farms.

Hope to see you there,
